Indiana State Police, 8468 East 21st Street, Indianapolis, Indiana 46219 | (317) 232-0427 | CCecil@isp.IN.gov

PROFESSIONAL WORK EXPERIENCE

Indiana State Police

2004 - Present

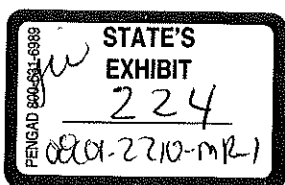

Current Positions:

FIRST SERGEANT, COMMANDER INTERNET CRIMES AGAINST CHILDREN (ICAC) UNIT | SPECIAL INVESTIGATIONS SECTION | SPECIAL INVESTIGATIONS DIVISION (SID) (JANUARY 2023–PRESENT)

- Supervise and work alongside the ICAC Squad Sergeant, supervising eleven (11) ICAC detectives in the ICAC Unit.
- Assist in the direction of SID operations.
- Participate in Office planning, budgeting, and other administrative tasks.
- Structure and direct training of personnel assigned to ICAC, including those on a temporary assignment.
- Devise and supervise performance appraisal activities for ICAC personnel.
- Perform the duties of higher-level commanders when assigned.
- Maintain sufficient knowledge of ICAC investigations/projects to be capable of in-depth or impromptu briefings.
- Devise and maintain systems to effectively monitor, evaluate, control, and document the progress and effectiveness of investigations and projects.
- Serve as liaison between field personnel and various criminal justice system members.
- Coordinate criminal, administrative, and background investigations assigned throughout the state as required.
- Ensure adequate training for all Unit personnel.
- Monitor, review, and manage the day-to-day activities of investigations, forensic examinations, technical capabilities, and projects assigned to subordinates.
- Counsel and direct subordinates, including applying positive and negative personnel actions.
- Advise supervisor of matters that affect operations or administration within the Department/Division.
- Address government and public gatherings as required.
- Coordinate news media releases with the Public Information Office.
- Maintain current knowledge of developments in investigation and criminal law.
- Attend and conduct staff meetings as needed or directed.
- Answer inquiries from within and without as needed or directed.
- Conduct special investigative assignments, i.e., background investigations of public officials, Department personnel, Governor's Office requests, and out-of-state agency requests.
- Oversee the Indiana ICAC Task Force.
- Oversee ISP's human trafficking investigations
- Ensure coordination between all members of the ICAC Unit, Areas, Districts, and Divisions of the Indiana State Police and other law enforcement agencies.

COMMANDER OF THE INDIANA INTERNET CRIMES AGAINST CHILDREN TASK FORCE (JANUARY 2023–PRESENT)

- Oversee the day-to-day operations of the Indiana ICAC Task Force
- Manage ICAC federal grant and the State of Indiana Allocation of Funds totaling \$1.57 million.
- Provide training and technical resources to the Indiana ICAC Task Force
- Coordinate and Lead Quarterly Indiana ICAC Task Force Meetings

- Ensure each ICAC member and supervisor of an affiliate agency receives a copy of the ICAC Operational and Investigative Standards.
- Ensure all ICAC members and affiliate agencies are making every reasonable effort to comply with the ICAC Operational and Investigative Standards
- Coordinate with the ISP Chief Public Information Officer on matters related to the ICAC Task Force, including press releases, television & radio interviews, and other public speaking and service events.
- Serve as a technical resource and problem solver for law enforcement agencies and the community.
- Expand the Indiana ICAC Task Force to prevent, interdict, investigate, and prosecute Internet crimes against children.

Previous Positions:

TASK FORCE OFFICER, FEDERAL BUREAU OF INVESTIGATION, CHILD EXPLOITATION AND HUMAN TRAFFICKING TASK FORCE, VIOLENT CRIMES AGAINST CHILDREN (AUGUST 2017–DECEMBER 2023)

- Provide a rapid, proactive, and comprehensive ability to counter all threats of abuse and exploitation to children when those crimes fall under the authority of the FBI;
- Identify, locate, and recover child victims; and
- Strengthen relationships between the FBI and federal, state, local, tribal, and international law enforcement partners to identify, prioritize, investigate, and deter individuals and criminal networks exploiting children.
- Investigative duties include the following:
 1. Child abductions—child abductions, including domestic and international parental kidnapping.
 2. Child sexual exploitation enterprises—domestic child sex trafficking organizations; online networks and enterprises manufacturing, trading, distributing, and selling child pornography.
 3. Contact offenses against children—domestic travel with intent to engage in illegal sexual activity with children; child sex tourism (international travel to engage in sexual activity with children); production of child pornography, including “sextortion” involving children who are extorted into producing child pornography; and coercion/enticement of a minor.
 4. Trafficking of child pornography—distribution of child pornography; possession of child pornography
 5. Other crimes against children—with available resources, investigate all other crimes against children violations within the FBI’s jurisdiction

FIRST SERGEANT, ASSISTANT COMMANDER OF CYBERCRIME & INVESTIGATIVE TECHNOLOGIES SECTION, CYBER CRIME UNIT | INTERNET CRIMES AGAINST CHILDREN (ICAC) UNIT (JULY 2020–JANUARY 2023)

- Work directly under the supervision of the Cybercrime & Investigative Technologies Section (CITS) Commander.
- Supervise and oversee the day-to-day activities of the ten (10) digital forensic examiners in the Cyber Crime Unit
- Supervise and work alongside the two (2) ICAC Squad Sergeants who directly supervise the ten (10) ICAC detectives in the ICAC Unit.
- Assist in the direction of CITS operations.
- Participate in Office planning, budgeting, and other administrative tasks.
- Structure and direct training of personnel assigned to CITS, including those on temporary assignment.
- Devise and supervise performance appraisal activities for CITS personnel.
- Perform the duties of higher-level commanders when assigned.
- Maintain sufficient knowledge of cybercrimes and investigative technologies/projects to be capable of in-depth or impromptu briefings.

- Devise and maintain systems to effectively monitor, evaluate, control, and document the progress and effectiveness of investigations and projects.
- Serve as liaison between field personnel and various criminal justice system members.
- Coordinate criminal, administrative, and background investigations assigned throughout the state as required.
- Ensure adequate training for all Section personnel.
- Monitor, review, and manage the day-to-day activities of investigations, forensic examinations, technical capabilities, and projects assigned to subordinates.
- Counsel and direct subordinates to apply positive and negative personnel actions.
- Advise supervisor of matters that affect operations or administration within the Department/Division.
- Address government and public gatherings as required.
- Coordinate news media releases with the Public Information Office.
- Maintain current knowledge of developments in investigation and criminal law.
- Attend and conduct staff meetings as needed or directed.
- Answer inquiries from within and without as needed or directed.
- Conduct special investigative assignments, i.e., background investigations of public officials, Department personnel, Governor's Office, and out-of-state agency requests.
- Assist the Office of Intelligence and Investigative Technologies Commander in Indiana ICAC Task Force oversight.
- Ensure coordination between all Cybercrime and Investigative Technologies Section members, Areas, Districts, and Divisions of the Indiana State Police and other law enforcement agencies.

SERGEANT DETECTIVE - COMPUTER FORENSIC EXAMINER, CYBER CRIME UNIT (OCTOBER 2013–JULY 2020)

- Conduct forensic examinations on computers, phones, and other digital media collected for evidence.
- Stay abreast of new electronic crime technologies, including new equipment, software programs, and encryption.
- Work with other law enforcement and criminal justice agencies on criminal investigations.
- Complete thorough and timely forensic examination reports.
- Conduct and assist with search warrants and evidence collection when required.
- Enforce State and federal criminal laws.
- Perform forensic activities on computers and computer-related equipment.
- Ensure precautions are taken to prevent data and equipment damage.
- Assist with the seizure of computer-related evidence, preparation of search warrants, and preparation of investigative information for court purposes.
- Perform investigations involving the use of advanced search programs.
- Provide computer forensic analysis to other law enforcement agencies.
- Identify available hardware, software, and training needs applicable to the unit.
- Make frequent contact with other elements of the criminal justice system.
- Investigate criminal complaints.

TROOPER DETECTIVE, INTERNET CRIMES AGAINST CHILDREN UNIT (AUGUST 2010–OCTOBER 2013)

- Conduct investigations of child sexual exploitation crimes.
- Conduct covert and overt investigations of child exploitation crimes.
- Develop appropriate investigative techniques and methods of analysis to promote the efficient and effective exchange of information among investigators.
- Increase job knowledge, skills, and level of expertise in areas of child sexual abuse.
- Set goals and objectives in child sexual abuse.

- Maintain close working relationships with all agencies within the criminal justice system and private entities outside the criminal justice organization as required.
- Conduct online investigations to combat child pornography via the Internet.
- Conduct an appropriate number of criminal investigations and effect criminal arrests/convictions.
- Submit criminal intelligence reports as they become available.
- Utilize data and services available through the Criminal Intelligence Section, MAGLOCLEN, and other entities in the criminal justice network to enhance overall effectiveness.
- Contribute to the investigative function by promoting information exchange with other criminal justice agencies or law enforcement-related agencies.
- Interview victims and witnesses and interrogate suspects as required.
- Prepare case reports within established Department case management guidelines.
- Ensure a continuing effort in gathering and disseminating child pornography and exploitation information.
- Maintain regular contact about investigative work with the Section Commander.
- Submit detailed monthly reports on activities to the Special Investigations Section Commander.
- Attend training and related seminars on child pornography and exploitation as required.
- Seek professional development and maintain knowledge of all state and federal laws concerning child sexual exploitation.
- Participate in child pornography task forces at both state and federal levels.
- Conduct training sessions/lectures to law enforcement agencies on child exploitation crimes.
- Identify individuals who are the producers, suppliers, distributors, and collectors of child pornography violating Indiana Law.
- Gather evidence for arrests and prosecution of exploiters.
- Provide internet safety & cyber bully prevention programs to children and their parents.
- Offer forensic support to local, state, & federal law enforcement agencies.
- Provide investigation training to the Indiana State Police Recruit School and local Indiana law enforcement agencies concerning internet investigations, child exploitation, and child pornography.

TROOPER DETECTIVE, JASPER DISTRICT (DECEMBER 2007–AUGUST 2010)

- Enforce state and federal criminal laws.
- Keep abreast of crime-related problem areas in a continuous effort to neutralize them.
- Develop and reduce crime-related information to a clear, concise, and thorough report form for effective prosecution.
- Manage, investigate, and process crime scenes.
- Provide technical supervision for other officers during criminal investigations.
- Work with other law enforcement and criminal justice agencies on criminal investigations.
- Conducted/assisted with procedural matters during raids, arrests, searches, and evidence collection.
- Develop sources of information and informants.
- Apprehend and process violators.
- Develop and conduct surveillance and clandestine investigations.
- Testify in court, attend pretrial conferences, and give depositions.
- Make frequent contact with other elements of the criminal justice system.
- Knowledge and experience in the use of informants.
- Interview witnesses, informants, victims, and suspects.
- Advise troopers of criminal activity in their geographical areas.
- Investigate criminal complaints.
- Submit various reports and correspondence in compliance with Department standards and procedures.

- Provide/attend training in investigative techniques.
- Answer telephone inquiries regarding suspected criminal activities.
- Obtain written/oral statements.
- Identify, collect, and disseminate criminal intelligence.
- Conduct thorough applicant investigations.
- Monitor labor disputes as directed.
- Perform assigned riot control duties.
- Promote a positive public image.
- Conducted/assisted in raids and large-scale warrant services.
- Collect, preserve, and document evidence.

TROOPER, JASPER DISTRICT (OCTOBER 2004–DECEMBER 2007)

- Patrol county, state, and federal roads to detect and apprehend criminal and traffic law violators.
- Investigate vehicle crashes.
- Perform a wide variety of courtesy services.
- Make death notifications.
- Attempt to locate motorists and/or other persons to deliver emergency information.
- Direct and control traffic at disaster scenes, accident sites, and special events.
- Render first aid to persons until medical help arrives.
- Conduct criminal investigations.
- Coordinate and assist investigative efforts with the Criminal Investigation Division.
- Testify in criminal and traffic court.
- Prepare and submit various reports in a complete, accurate, and timely manner.
- Identify, collect, and submit evidence compliant with Department Standard Operating Procedures.
- Transport emergency medical supplies, blood, etc.
- Assist the Federal Aviation Administration in the investigations of aircraft crashes.
- Present law enforcement-related public affairs programs.
- Assist local, county, and federal law enforcement agencies and other state agencies in various areas.

AWARDS

- Co-Recipient of a **Letter of Appreciation** dated August 17, 2023 from the Miami County Prosecuting Attorney's Office concerning my digital forensic-based testimony at the State of Indiana v. Kegan Kline sentencing.
- Recipient of the **2021 United States Attorney's Award** from the Office of the US Attorney for the Southern District of Indiana. The award was for 'Outstanding Contribution to a Prosecution' (USA v. Buster Jimmy Hernandez). This was a complex child exploitation and cyberterrorism investigation involving child victims in every federal district across the United States.
- Co-awarded the **2016 Indiana State Police Outstanding Criminal Investigation of the Year Award** in recognition of outstanding criminal investigation, dedication, and professionalism, which members of the Indiana State Police should strive to emulate when serving the citizens of the State of Indiana as a member of the Indiana State Police Criminal Investigations Division. The award was in recognition of the successful investigation of former Subway spokesperson Jared Fogle, and former Jared Foundation executive director Russell Taylor (USA v. Jared Scott Fogle and USA v. Russell Taylor).
- Awarded the **2014 Indiana State Police Commendation Award** for a lengthy, challenging, and technically complex child exploitation investigation that resulted in the identification, prosecution, conviction, and sentencing of a serial contact offender against

children. This investigation led to the identification and rescue of three child victims and countless unknown and future victims.

- Recipient of the **2013 National Center for Missing & Exploited Children's Award Certificate of Honorable Mention.**
- Recipient of the **2012 United States Attorney's Award** from the Office of the US Attorney for the Southern District of Indiana. The award was for 'Outstanding Contribution to a Prosecution Resulting in a Guilty Plea' (USA v. Jonathan David Martin). This was a complex child exploitation investigation involving multiple victims from northern and southern Indiana.
- Received a **Letter of Appreciation** from the Indiana State Police – Jasper, District 34 investigations command staff for an active role in the investigation of a murder in Spencer County, Indiana, in September 2008.
- Received a **Letter of Appreciation** from the Indiana State Police – Jasper, District 34 investigations command staff for an active role in the investigation of an attempted murder and prison escape of three inmates from the Branchville Correctional Facility in Perry County, Indiana, in April 2009.
