

STACY BOZINOVSKI
550 West Sixteenth Street, Suite C
Indianapolis, Indiana 46202
Work: 317-921-5300

**Work
Experience**

Indiana State Police Laboratory

Indianapolis, Indiana

State of Indiana

07/06 - Present

Forensic Scientist I

- Perform DNA analysis on biological stains/sources
- Analyze evidentiary items for body fluids
- Provide testimony of scientific findings
- Maintain annual calibrations for instrumentation

Bloomington Police Department

Bloomington, Indiana

City of Bloomington

01/03 - 03/04

Crime Scene Evidence Technician and Property Manager

- Evaluated, processed and photographed crime scenes
- Collected and packaged evidence
- Processed items of evidence for latent prints
- Analyzed plant material and prepared technical reports
- Secured and maintained property and evidence
- Corresponded with detectives and prosecutors

Kelly Scientific Resources

Indianapolis, Indiana

Eli Lilly & Company

09/02 - 12/02

Biologist

- Employed in Research and Development
- Maintained cell culture lines for pharmaceutical use
- Utilized proper sterile technique
- Prepared research samples and laboratory solutions
- Collected growth data from E.coli and yeast cultures

Marshall University Forensic Science Center

Huntington, West Virginia

CODIS Laboratories

05/01- 08/01

Intern

- Operated ABI PRISM® 310 Genetic Analyzer for DNA analysis
- Extracted, purified and amplified DNA from samples
- Insured quality control and quality assurance guidelines
- Completed Qiagen® extraction project on whole blood samples
- Prepared technical reports documenting scientific analysis

Education

Marshall University

Huntington, West Virginia

Master of Science in Forensic Science, May 2002

Indiana University

Bloomington, Indiana

Bachelor of Science in Biology, May 2000

**Professional
Organizations**

American Academy of Forensic Sciences

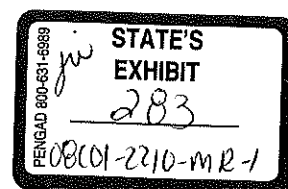

Associate Member in Criminalistics- April 2008

Midwestern Association of Forensic Scientists

Regular Member - October 2008

American Board of Criminalistics

Member - March 2011

**Scientific
Meetings &
Conferences**

American Academy of Forensic Sciences

Baltimore, MD – February 2019
Seattle, WA – February 2014
Chicago, IL – February 2011

Midwestern Association of Forensic Scientists

Indianapolis, IN – September 2018
Dayton, OH – October 2013

International Symposium on Human Identification

National Harbor, MD – November 2022
Seattle, WA – October 2017

Bode DNA Conference

Virtual – May 2021

**Specialized
Training**

STRmix Everything Related to Relatives

ESR (online)
July 29, 2023, 8 hours

Forensic Investigative Genealogy in Court

Verogen (online)
July 6, 2023, 2 hours

STRmix Training Workshop – 9th Annual

California DOJ & San Diego PD (online)
June 27-28, 2023, 9 hours

STRmix DBLR v1.2

ESR (online)
September 27, 2022, 24 hours

STRmix Training Workshop – 8th Annual

California DOJ & San Diego PD (online)
June 28-29, 2022, 9 hours

ForenSeq DNA Signature Prep, MiSeq FGx, and UAS Training

Verogen, Indianapolis, IN
September 9-11, 2020, 24 hours

STRmix Advanced Training

Jo-Anne Bright - ESR, ISP
July 14-23, 2020, 30 hours

STRmix Training Workshop – 6th Annual

California DOJ & San Diego PD (online)
June 23-24, 2020, 16 hours

Missing Persons and Unidentified Persons Investigation

Noelle Umback - OCME, AAFS
February 19, 2019, 8 hours

DNA Mixture Interpretation

John Butler - NIST, AAFS
February 18, 2019, 8 hours

Likelihood Ratio: An Introduction and Application

Mike Coble - NIST, ISHI
October 2, 2017, 8 hours

STRmix Training

Indiana State Police Laboratory

September - October 2017

Mass Fatalities Incident Management

Indiana Department of Homeland Security, Noblesville, IN

April 5-7 2017, 24 hours

FEMA Incident Management Courses - IS- 100, 200, 700 & 800

Emergency Management Institute (online)

March 17-April 3, 2017, 16 hours

STRmix Training Workshop

Jo-Anne Bright - ESR, ISP (on-site)

August 16-19 2016, 32 hours

Promega Technology Tour Seminar 2016

Promega, Indianapolis, IN

July 26, 2016, 8 hours

Advanced Forensic Relationship Training

Kelly Beatty - Marshall University Forensic Science Center

November 4-5, 2015, 14 hours

Emerging Technologies

Indiana State Police Laboratory

September 29 & October 27, 2015, 8 hours

Best Practices for the National Response to Sexual Assault Investigations

Jack Ballantyne - Forensic Technology Center of Excellence & NIJ, ISP (online)

September 18, 2014

Addressing Bias in Forensic Science

Jeremiah Morris - Johnson County Sheriff's Office Laboratory, ISP (onsite)

September 9, 2014, 8 hours

HID future trends in forensic DNA technology

Life Technologies, Chicago, IL

August 20, 2014

Probabilistic Genotyping & Software Webinar Series

Michael Coble, PhD - NIST, ISP (onsite)

May 28 & September 18, 2014

Development of Emerging DNA Technologies for Identification

Timothy McMahon, PhD - AFDIL, AAFS

February 17, 2014

Advances in the Investigation and Prosecution of Sexual Assault Allegations

Joanna Collins, AAFS

February 18, 2014

DNA Statistics, Interpretations & IndySTR Software

Indiana State Police Laboratory

January 6 & February 3, 2014, 8 hours

HID future trends in forensic DNA technology

Life Technologies, Chicago, IL

August 6, 2013

DNA Mixture Interpretation Workshop & Webcast

NIST, ISP (onsite)
April 12, 2013

CODIS 7.0 Popstats Parentage and Kinship

U.S. Department of Justice, FBI, ISP (online)
September 12, 2012

DNA Mixture Interpretation Theories

Bruce J. Heidebrecht - Maryland State Police, ISP (onsite)
April 30, 2012

Topics in Forensic DNA Analysis and Interpretation

John Butler - NIST, ISP (onsite)
March 28, 2011

HID future trends in forensic DNA technology

Applied Biosystems, ISP (onsite)
May 19, 2010

Forensic Relationship Training

Kelly Beatty - Marshall University Forensic Science Center
April 26-29, 2010

Forensic DNA Analysis Workshop

Promega, Indiana State Police
September 9, 2009

Y-STR Analysis

William Frank - Illinois State Police, ISP (onsite)
May 20, 2009

DNA Internship Training Program

Indiana State Police Laboratory
January 2008-March 2009

7500 Real-Time PCR System

Quantifiler™ Kits & Standard Operator Training

Maurice Padilla - Applied Biosystems, ISP (onsite)
May 29, 2008, 5 hours

Advanced DNA

Justin Godby - Marshall University Forensic Science Center
April 7 - 11, 2008, 37.5 hours

Statistical Analysis

Dr. Conneally - IUPUI, ISP (onsite)
May 16, 2007, 7.5 hours

Hair Examination for DNA Analysts

Max Houck - WVU Forensic Science Initiative, IUPUI
May 11, 2007, 7.5 hours

Serology Internship Training Program

Indiana State Police Laboratory
July 2006-December 2006

Crime Scene Investigation

Indiana State Police and Indiana Law Enforcement Academy
May 12- June 11, 2003

Marijuana Leaf Identification

Indiana State Police Laboratory

May 5- 8, 2003, 28 hours

How to Develop, Lift and Document Fingerprints

Public Agency Training Council

April 1- 2, 2003, 14 hours

Introduction to Practical Crime Scene Techniques

Public Agency Training Council

March 12-14, 2003, 21 hours

Homicide & Forensic Death Investigation

Public Agency Training Council

February 10-14, 2003, 35 hours
