RA: No they don't.

KA: Yes they do.

RA: Nobody loves me anymore.

KA: Stop. That's not true.

Call 2 – April 2, 2023

[Thank you for using GTL. This is a prepaid debit call from: Ricky]

RA: Hey.

JA: Hello?

RA: Good morning.

JA: Yeah.

RA: How are you?

JA: Good to hear from you.

RA: Yeah. Been trying to uh get a hold of Kathy all morning but this stupid phone system doesn't seem to be working right about half the time.

JA: Uh it cut us off yes— the other— I mean— Friday didn't it?

RA: Yeah I'm sure it did. I uh I got a hold of her once today and then it cut us off before I had a chance to really talk to her and I haven't been able to get her back since so.

JA: Okay.

RA: I was just curious to see if it would let you let me through to you so.

JA: Uh huh. Um they had a lot of real bad storms.

RA: Oh in Delphi or?

JA: Um well in this whole— in all of Indiana.

RA: Oh.

JA: There was tornadoes and everything.

RA: I thought I heard something about tornadoes. I know we had— we had a little bit of hail at one point but so.

JA: I hope— I will.

RA: I haven't slept all night.

JA: They may not have internet or anything.

RA: You still there?

JA: Yeah yeah.

RA: Okay. Hey if you talk to Kathy today and I haven't yet just tell her I'm okay and I'll talk to her as soon as I'm able to get through to her.

JA: Oh okay I will.

RA: Alright. Hey are you uh you going to church today?

JA: Yeah yeah.

RA: Good good. Where are you going to church at? I didn't even know you were.

JA: U it's [Story?] Church. It's there at the [Rock?] Theater in Peru.

RA: Really?

JA: Uh-huh.

RA: Why there?

JA: Huh?

RA: What made you decide to go there?

JA: Uh Colleen my friend who started going and I started going after I wrecked the van.

RA: When did you wreck the van?

JA: Oh it was in what— February of last year.

RA: Oh my god you've been going to church that long?

JA: Well I've been going public for, yeah. I'd say since uh last summer.

RA: How did I not know you were going to church?

JA: Well I just started going and then I decided I needed to get back with God again and I figured he's been sparing my life for a reason all these years.

RA: That's good to hear.

JA: Yeah and I'm glad that I did because I wouldn't have made it through all this without him.

RA: Yep. So uh did Kathy tell you that I told her the other day that uh I accepted the Lord Jesus Christ as my savior?

JA: Oh no. That's so wonderful.

RA: I didn't know if she told you or not but God's really important to me right now and I just— to hear you say that you've been going to church for that long again just makes me happy.

JA: It makes me happy and that Kathy's going and all that. It just—

RA: Yeah. Okay well I can go on all day but I'm going to try to get a hold of Kathy again and if not then I'm going to fall asleep at some point because I haven't slept so.

JA: Yeah.

RA: Hopefully I can get a hold of her before I fall asleep but if not I know that I talked to you and that you'll let her know that I'm okay now.

JA: I will I will.

RA: I've got a family that's always going to love me no matter and—

JA: Yes you do.

RA: I got God so I've got God so and I know that Kathy's got God and you've got God and—

JA: Yeah yeah.

RA: That's good enough for me so.

JA: Yep.

RA: I know he is not going to let this last forever and—

JA: No he's not.

RA: We're all going to be back together eventually.

JA: Yeah.

RA: He'll make that happen. It may be today it may be tomorrow it may be 6 months from now it may be when we're together again in heaven but it's going to happen and I just uh—

JA: I just think God's going to work a miracle through all this.

RA: Yeah I think he already has I mean Kathy sent me a Bible um I didn't accept God into my life until March 21st of 2023 so that's what a week ago week and a half?

JA: Mhmm yeah.

RA: And uh—

JA: Yeah.

RA: I never would have done it if I hadn't started reading the Bible and uh I wouldn't have read the Bible if Kathy hadn't sent it to me and—

JA: She's been trying for a long time to get one to ya.

RA: And uh I questioned you know when I called her and tried to tell her that I accept had accepted God. I struggled to know if it was really this Bible and if this was actually a Bible because I don't know if you know this or not but the Bible that she got me doesn't even say the Holy Bible on it on the front.

JA: Yeah but it's just worded so you could understand it better.

RA: Sure sure. I just I didn't know if you knew that it just on the front it says The Message so after I accepted God into my life and or accepted Jesus Christ as my savior and—

JA: Mhmm mhmm.

RA: And God into my life and told Kathy that I— she told that she first she had to convince me that I was actually reading the Bible.

JA: Yeah yeah.

RA: Um and then I asked her where she got the Bible from.

JA: Yeah uh-huh.

RA: And she said that Dr. Frank had given it to her.

JA: Yeah yeah.

RA: And uh so today I was calling her because I wanted to make sure that the next time she saw Dr. Frank I wanted her to thank Dr. Frank for saving my life.

JA: Awe awe.

RA: I'm giving— can he give her another a Bible?

JA: Yes yes.

RA: Cuz otherwise I probably wouldn't have a Bible today.

JA: Yeah yeah. She had been trying to see if uh one of the lawyers could get one to you and that— cuz she really wanted you to have the one she's been reading.

RA: Okay well I'm gonna go now and try to get hold of Kathy and if not hopefully I can get a hold of her tonight.

JA: Okay.

RA: Cuz I'm probably going to fall asleep at some point.

JA: Okay okay. I love you

RA: I love you too Mom. Bye.

JA: Mhmm. Bye.

JA: Ricky I just know you're not in a good place right now and I'm praying for you and we will always love you. No matter what. But just saying it doesn't mean you did it.

RA: Well it does when I did.

JA: Rick don't talk like this. I think they're just messing with you.

RA: No mom they're not. I love you though.

JA: What are you doing? I love you too hun. I just know you don't have it in you to do something like that.

Call 7 – June 5, 2023

KA: Hello?

RA: Hey. You still there?

KA: Yeah I'm here. Need to get you some coffee.

RA: Yeah.

KA: Get your coffee or snacks or whatever you need babe.

RA: Well I hate spending that money when I don't even know where it came from.

KA: It doesn't matter. It's in there I wouldn't worry about it. Somebody's thinking of ya so I wouldn't question it. Lord what a mess. Good grief. You know just when I think I've got everything— I don't understand my thought process on clothing. I really don't. Stupid it's stupid. Trying to get better about that. Oh lord. What do you have for breakfast or lunch today?

RA: Oh, had some kind of eggs this morning it was [inaudible].

KA: Yeah.

RA: Something fairly normal. So weird talking to ya.

KA: What sweetheart?

RA: Said it's just kind of weird talking to ya.

KA: Why? Why would it be weird?

RA: I don't know it just is. Everything's weird in here anymore.

KA: Yeah.

RA: Like I feel like I've lost my mind gone to hell or something.

KA: Well you're kind of living it right now. Not a good place to be in. Not a good place at all. And [inaudible] don't have much [inaudible] anything I'm sure.

RA: You know that I done it right?

KA: Dear I don't want to talk about that okay? I want to have a good conversation between us. Just don't— I guess it doesn't matter what I think but—

RA: Of course it does. Just in a really frustrating spot right now.

KA: What?

RA: I said I'm just in a really frustrating spot right now.

KA: Why?

RA: And I know that that's nothing compared to where you're at so—

KA: No.

RA: I'm not trying to—

KA: No no. Your spot is a lot worse than mine. I have freedoms that you don't have so we're not going to go there. I feel guilty about that.

RA: I don't know why nobody will talk to me and be honest with me.

KA: Well [inaudible]. Don't care didn't do it. That's just prison. Just another number. But—

RA: Just don't feel like anybody's willing to be honest with me anymore.

KA: Well—

RA: Like everybody's afraid to hurt my feelings or something.

KA: I know. I think people have to be very careful when they talk. We all do.

RA: Yea.

KA: If I can get a chaplain in there to pray with you would that be okay? I mean I've been trying to get a hold of somebody but of course nobody ever answers. You have to go to voicemail and it's full so. But if I could get—

RA: I had a chaplain pray with me once but it just—

KA: Oh. Okay.

RA: —doesn't seem to help me any.

KA: Well. And it's okay because I mean praying for— to yourself is going to be very helpful. It's helped me immensely.

RA: Yeah.

KA: People out there praying for you. You just got to pray the bad thoughts away hun. And try. The demons are fighting hard to get ya.

RA: I know. I feel like they've already gotten me. I'm already in hell.

KA: Yeah. Well you're you're kind of in physical hell right now but your soul doesn't need to be. With God not anybody else's. I hope you understand that.

RA: Yeah. I'm sorry I have a question about the Bible that you got me [inaudible] cuz I've got another one in here now it says the Holy Bible in it.

KA: Yeah.

RA: It says basically the same—

[Thank you for using GTL]

KA: Hello?

RA: Hello?

KA: Hey.

RA: Hey.

KA: Hi.

RA: I get it. Kathy?

KA: What?

RA: I did it. Do you still love me?

KA: Yes dear but you didn't do it.

RA: Why do you say that?

KA: Why do you say it?

RA: I don't want to upset you.

KA: I'm already upset.

RA: I'm sorry. I don't know what I'm doing— feel like I've lost my mind.

KA: Honey you can't call me and talk like this okay? You're killin me.

RA: I'm so sorry baby.

KA: I can't talk to you right now.

RA: I didn't want to do this. [inaudible] I'm sorry. You're not going to do anything to yourself are ya?

KA: No.

RA: Probably going to have to— probably gonna have to [inaudible] now.

KA: Stop. You can't be calling me and talking like this.

RA: You don't have anything to do with it.

KA: It doesn't matter.

RA: Why are you so mad at me?

KA: I'm not mad I'm upset. I'm not broken. [inaudible]

RA: I can't tell you what's been going through my mind. Feel like I'm already in hell. Was waiting on the Bible from you but. I don't understand what's going on.

KA: Neither do I.

RA: I guess I'm just going to have to stop calling. I'm sorry. Okay?

KA: You can't call me if you're going to talk like that.

RA: I'm going to talk like what?

KA: I can't talk–
